Sprint 4 Report

Product Name: MoodLift

Date: 5/22/24 - 6/3/24

Actions to stop doing:

- Stop holding meetings at 8:00 pm
- Holding more in-person meetings (not everyone can attend)

Actions to start doing:

- Give daily updates even when we do not hold meetings
- Start holding more than one meeting a day based on workload
- Keep up with the Jira board

Actions to keep doing:

- Keep doing our daily 8:30 pm scrum meetings
- Stay on track with planned tasks
- Keeping each other updated on tasks

Work completed:

- Completed the Spotify login and playlist suggestion in Mood Tracker Page
- Completed the Friends page with updated UI
- Completed the Journaling Page with updated UI
- Completed inserting the mental health resources link in the Resources Page
- Completed Mood Tracker UI
- Completed merging branches so everything is on the Main branch

Work not completed:

• Did not complete logging out of Spotify

Work completion rate:

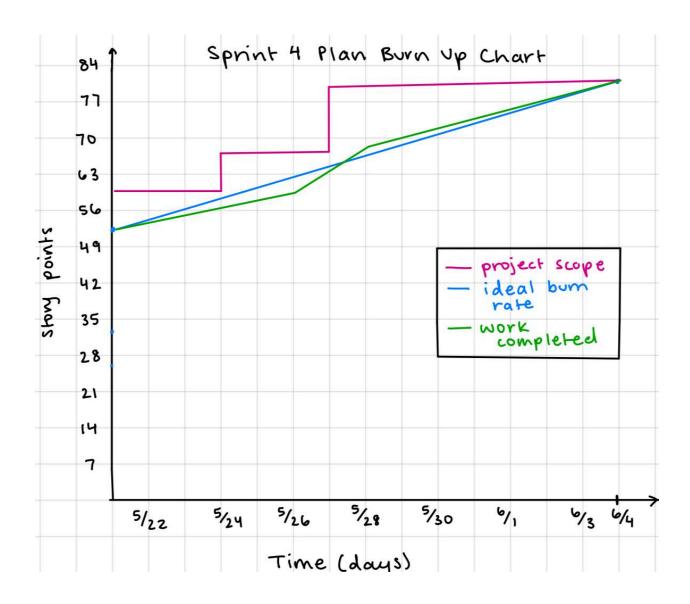

• User Stories Completed: 3 out of 3

• Task Completion Rate: 100%

• Total Work hours estimate: 20 hours

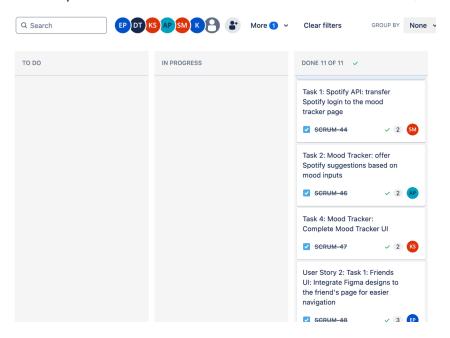

• Estimated days worked: 8
